About This Game

The game's system is somewhere between air combat and naval warfare. It's a lot like the old game I played as a kid, and we control fighters to destroy the enemy's fleet. We crossed the line of fire and shot down one enemy after another?fighter?striker?bomber?gunship?battleship and airship.

- 1.up to 2 big kinds of enemy air and sea ;
- 2.up to 6 kinds of enemy air army;
- 3.up to 3 kinds of enemy navy;
- 4.up to 20 missions.
